In forwarding herewith copy of docket No. 398 dated 17th March 1900, receiv from the Regimental of the Local Service Regiment regarding the stoppage of the amo unt from the pay of a dismounted Sowar of his Regiment, I have the honor to State that I concur with him in the opinion that the deduction of 15 Rupees will fall heavily on a Sowar of the Local Service Regiment whose pay has not been increased like that of the Sowa of the Imperial Service Regiment. I request yo therefore to make necessary alterations in rule 12 of the Chanda Fund Part IV of the

Sir,

I have the honor by direction to acknowledge receipt of your letter No 132 of the 3rd July 1900, and to say that the stoppage of Rs 15 to be credited to the Chunda by the Sowar dismounted owing to causes over which he had no control has been based on a calculation of the Sowar's actual saving in cost when not maintaining a horse.

The difference between the calculation you now forward and that on which the Government order is based is only annas eight. This is accounted for by the cost of grass which in your calculations is shown as Rs 5/8 and in this Office account at Rs 4/-

The correctness of this Office estimate of cost of grass is however confirmed by the Jemadar's account forwarded under your letter No 100 of the 12th instant.

I am to say therefore that Government see no good reason for altering the existing order.

Translation of Urzi No 341 dated 12th May 1900 from the Regimentdar I.S.Regt. to the Chief Commandant M.S.T.

In reply to C.C.'s No 317 states:-

In accordance with Pro. of Govt No 1230-1/112 dated 4th Jany. 1900, orders have been issued to all Squdrn Commanders of the Regt to deduct Rs 16/- from the pay of the absentees for the maintenance of their horses, and submit their monthly accounts.

But this sum after a deduction of Rs 2/- towards Chunda Subscription of the absentee does not suffice for the feed and keep of a horse Regimentally, if a separate syce is to be entertained. Of the 70 Regimental syces 27 have been sent to South Africa, & the remaining 43 have more than enough of orderly and other duties to attend to, which makes it impossible to throw on them any additional work of the above nature.

The old system of the absentees making their own arrangements for the feed of their horses, with their fellow Sowars used to work well.

Soon after the issue of the above Pro. the furlough season having commenced many of the Sowars etc are on leave. However the orders conveyed in the above Pro have been communicated to the Squadron Commanders with a view to effect being given to them.

Sir,

In acknowledging receipt of your letter No 151 of the 16th July last,

I have the honor by direction to inform you that the half-pay of the syces in South Africa now being disbursed to their wives will be recovered from these men on their return.

As these syces are being paid by the Imperial Government, the Mysore Government allotment for pay of these men can be utilised in paying for temporary substitutes to do their work, without any increase in the contemplated Military expenditure.

As regards the arrangements proposed for the feed and keep of the horses of the absent Silledars I am to say that if you agree with the Inspecting Officer that the men on leave can be safely permitted to make their own arrangements, orders may issue to that effect. Kindly forward a copy of any such order for publication in the Gazette as a correction to the Standing Orders of the Mysore Imperial Service Cavalry.
